## QUESTION 5

### Referendum on an Existing Law

Do you approve of a law summarized below, which was approved by the House of Representatives on October 17, 1985, by a vote of 77 - 62, and which was approved by the Senate on October 17, 1985?

#### SUMMARY

The law requires all drivers and passengers to wear properly adjusted and fastened safety belts while traveling in motor vehicles on public ways. It does not apply to: children under five years old who are required by another law to wear safety belts or be restrained in safety car seats; passengers in vehicles where all safety belts are being used by others; passengers in buses; persons riding in vehicles built before July 1, 1966, or in which safety belts were not installed as original equipment; or persons who are certified by a physician to be physically unable to use safety belts. The law also does not apply to police officers, rural mail carriers, or drivers or passengers of other vehicles that stop frequently and travel at speeds not exceeding 15 miles per hour between stops.

Drivers or passengers sixteen years or older who do not wear safety belts are subject to a \$15.00 fine. The driver of a vehicle is also subject to a \$15.00 fine for each passenger under sixteen who does not wear a safety belt. This law, however, can be enforced only if the driver is stopped for a violation of another motor vehicle law. Safety belt violations will not result in surcharges on motor vehicle insurance premiums. The law also requires that when the Commissioner of Insurance sets motor vehicle insurance rates, the rates must reflect any savings attributable to increased use of safety belts.

The law also requires that all motor vehicles manufactured after September 1, 1989, that are sold or registered in Massachusetts be equipped with crash protection devices, as specified by federal regulations. Any manufacturer who sells or delivers motor vehicles that are not equipped with such safety devices will be subject to a fine of not more than \$100 for each sale or delivery. This law is not intended to eliminate the federal requirements for passive crash protection devices in motor vehicles.

The law also provides that a non-binding question, unlike this binding referendum, shall be placed on the 1986 general election ballot asking whether the voters approve of the law.

# QUESTION 6

## Law Proposed by Initiative Petition

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 6, 1986, by a vote of 56 - 93, and on which no vote was taken by the Senate before May 7, 1986?

### SUMMARY

The proposed law would provide a system of voter registration by mail applicable to all qualified voters and would eliminate statutory provisions permitting certain persons to vote only for presidential electors.

Under this proposed law, the State Secretary would be required to prepare blank forms for affidavits of registration. The Secretary and local boards of registrars would be required to make such forms available to any person eligible to vote in whatever quantity the person requests and to transmit such forms, upon written request, to any person claiming to be qualified to vote. Registrars would also be required to make these forms available at all post offices and at other places within their municipalities. The Secretary would be required to establish a reasonable fee for providing more than 50 forms and to prepare instructions to accompany the forms.

A person seeking to register to vote would be required to complete the affidavit of registration and sign it under oath in the presence of a witness who is at least eighteen years old. The witness would be required to certify that the affidavit was signed in his presence and to date the affidavit.

A completed affidavit of registration could be either delivered or mailed to the appropriate registrar's office. If, from the facts set forth in the affidavit, it appears that the person is qualified to vote, the registrars would be required to add the person's name to the list of registered voters and to so notify the person by first-class, non-forwardable mail, unless the person's name already appears on the local list of residents at the same address. The cost of mailing such notices would be assumed by the Commonwealth, subject to appropriate action by the General Court. If such a notice is returned undelivered, the city or town clerk would be required to instruct election officials to challenge the person's right to vote at the next election in which he attempts to vote.

The proposed law would also impose criminal penalties of imprisonment for up to two years or a fine up to \$2,000 for knowingly or willfully making a false affidavit, taking a false oath, or signing a false certificate relative to the qualifications or registration of any person to vote.
