QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on July 29, 1996 (yeas 127 – nays 65); and again on June 9, 1998 (yeas 149 – nays 41)?

SUMMARY

This proposed constitutional amendment would prohibit the state Legislature from changing the base compensation received by members of the Legislature as of January 1, 1996. As of the first Wednesday in January of 2001, and every second year thereafter, the base compensation would be increased or decreased at the same rate as increases or decreases in the median household income for the Commonwealth for the preceding two-year period, as ascertained by the Governor.

QUESTION 2

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1998?

SUMMARY

This proposed law would create a new voluntary system allowing candidates for state office who agree to campaign spending limits and \$100 contribution limits to receive a set amount of public funds for their campaigns, starting with the 2002 election. The proposed law would also limit transfers of money from national political parties to state political parties for administrative, overhead, or party-building activities. It would also require candidates for state office who had raised or spent at least a set minimum amount in an election cycle to file their required campaign finance reports with the state electronically, and the public would have prompt electronic access to such reports.

The new funding system would replace the existing system of limited public financing of campaigns for statewide office. To participate in the new system, a candidate would have to raise a minimum number of contributions from registered voters in the relevant district, as follows: Governor, 6000; Lt. Governor, Attorney General, or Treasurer, 3000; Secretary of State or Auditor, 2000; Executive Councillor, 400; State Senator, 450; State Representative, 200. Such contributions would have to be between \$5 and \$100 and be collected during a limited period: for statewide candidates beginning on August 1 of the year before the election, for other candidates beginning on January 1 of the election year, and for all candidates ending on the last day to file nomination papers with the Secretary of State.

For any election, a participating candidate could not accept contributions of more than \$100 from any person or political committee and could not

Office	Primary Election:		General Election:	
	Public Funds	Spending Limit	Public Funds	Spending Limit
Governor	\$1,500,000	\$1,800,000	\$1,050,000	\$1,200,000
Lt. Governor	\$383,000	\$450,000	\$255,000	\$300,000
Attorney General or Treasurer	\$360,000	\$450,000	\$240,000	\$300,000
Secretary of State or Auditor	\$120,000	\$150,000	\$80,000	\$100,000
Councillor	\$19,000	\$24,000	\$13,000	\$16,000
Senator	\$43,000	\$54,000	\$29,000	\$36,000
Representative	\$15,000	\$18,000	\$9,000	\$12,000

A participating candidate running unopposed would receive only half the listed amount of public funds and could spend correspondingly less than a candidate with an opponent. All funds could be spent only for campaign purposes. Any unspent public funds from a primary or general election would have to be returned after that election. A participating candidate who violated the contribution or spending limits would have to return all public funds, become ineligible for further funds, and in some cases pay fines.

Candidates who do not accept public funds would have to report any spending in excess of the limit shown above and could be fined for failing to do so. If such a non-participating candidate spent more than the limit, participating candidates in that race would immediately receive, and could spend, public "matching funds" equal to the amount of the excess spending. The total amount of public funding (including matching funds) a candidate could receive would be limited to twice the spending limit for that race. During the general election campaign, running mates for Governor and Lt. Governor would be treated as teams in order to determine the distribution of any matching funds.

raise or spend any money other than these contributions and public funds.

Candidates meeting all of these requirements would, subject to appropriation by the Legislature, receive public funding in the primary and general elections. This would come from a new state Clean Elections Fund, consisting of amounts voluntarily contributed through the checkoff on the state income tax return, any amounts appropriated by the Legislature, and any money in the existing state election campaign fund.

The chart below shows the amounts of public funds a candidate could receive in the primary and general elections. A candidate could raise and spend private contributions in order to bring his or her spending up to the spending limit shown below.
