

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

SUMMARY

This proposed law would prohibit any dog racing or racing meeting in Massachusetts where any form of betting or wagering on the speed or ability of dogs occurs.

The State Racing Commission would be prohibited from accepting or approving any application or request for racing dates for dog racing.

Any person violating the proposed law could be required to pay a civil

penalty of not less than \$20,000 to the Commission. The penalty would be used for the Commission's administrative purposes, subject to appropriation by the state Legislature. All existing parts of the chapter of the state's General Laws concerning dog and horse racing meetings would be interpreted as if they did not refer to dogs.

These changes would take effect January 1, 2010. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would prohibit dog races on which betting or wagering occurs, effective January 1, 2010.

A NO VOTE would make no change in the laws governing dog racing.

QUESTION 4

Shall this Town amend its acceptance of sections 3 to 7, inclusive of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

SUMMARY

This question involves amendment of the Town's acceptance to G.L. c.44B, §§ 3-7, also known as the Community Preservation Act (the "Act"), by increasing the surcharge imposed on real property from one and one-half percent (1 ½ %) to three percent (3 %) of the tax levy, as determined annually by the Board of Assessors. The Act allows municipalities to impose a surcharge on real property to establish a dedicated source of funds for: the acquisition, preservation and creation of open space and land for recreational use; the acquisition, preservation, restoration and rehabilitation of historic resources; and the creation, preservation and support of community housing. Acceptance of the Act also entitles municipalities to receive an annual distribution from the Massachusetts Community Preservation Trust Fund, which supplements the funds collected pursuant to the surcharge imposed by the Town and increases the available funds for eligible projects.

As approved under Article 2 of the February 12, 2001 Special Town Meeting and by the voters at the 2001 Annual Town Election, the surcharge was initially fixed at one percent (1 %) of the annual property tax assessed on real property. An increase in the surcharge to one and one-half percent (1 ½ %) was later approved under Article 38 of the May 1, 2006 Annual Town Meeting and by the voters at the 2006 biennial state election. On a motion made under Article 24 of the April 28, 2008 Annual Town Meeting, the Amherst Town Meeting voted to increase the surcharge to three percent (3 %). If approved, the additional surcharge would be imposed on taxes assessed for fiscal years beginning July 1, 2009.

The Act contains certain mandatory exemptions and also allows municipalities to approve certain optional exemptions. The Town has adopted two such optional exemptions, as follows: (1) any property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in Amherst is exempt from the surcharge; and, (2) one hundred thousand dollars (\$100,000.00) of the value of each taxable parcel of residential real property is exempt from the surcharge. Regardless of whether this question passes or fails, these exemptions will continue to be applicable in the Town of Amherst.
