QUESTION 4

Shall the Town of Kingston vote to amend its previous acceptance of sections 3 to 7 inclusive, of Chapter 44B of the General Laws, said amendment being approved under Article 8 of the Kingston June 26, 2012 Special Town Meeting?

SUMMARY

This Question involves an amendment to the Town's prior acceptance of Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act ("Act"), by decreasing the surcharge imposed on real property from three percent (3%) to one percent (1%) of the annual tax levy thereon, as determined by the Kingston Board of Assessors.

The following exemptions from the surcharge, permitted under Section 3(e) of the Act, will apply: (1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate senior income housing in the Town; (2) \$100,000 of the value of each taxable parcel of residential real property. As approved by the voters at the 2005 Annual Town Election, the surcharge was initially fixed at three percent (3%) of the annual tax levy assessed on real property. By vote under Article 8 of the June 26, 2012 Special Town Meeting, the Town's legislative body voted to decrease the surcharge to one percent (1%) of the annual tax levy assessed on real property, effective July 1, 2013, subject to an affirmative majority vote of the Town at the next complying State or Town Election.

QUESTION 4

Shall the Town of West Springfield amend its acceptance of the Community Preservation Act by adopting exemption (4) of Chapter 44B of the General Laws which would exempt the first \$100,000 of the value of each taxable parcel of class 3, commercial property, and class 4, industrial property as defined in section 2A of Chapter 59 of the Massachusetts General Laws, as approved by its legislative body?

SUMMARY

Currently, 100% of the value of commercial and industrial real estate in West Springfield is subject to a Community Preservation Act surcharge of one percent (1%) of its taxable value, while residential properties receive an exemption for the first \$100,000 of their property value. This amendment, if adopted, would in a similar manner exempt the first \$100,000 of commercial and industrial property value.

The adoption of the amendment would exempt the first \$100,000 of value of each such commercial and industrial property from the surcharge. For example, a commercial or industrial property valued at \$250,000 would pay a surcharge Based on \$150,000 rather than \$250,000 of its taxable value.
