**QUESTION 4**

Shall the Town of Duxbury exempt the first \$100,000 of assessed value of residential real property from the surcharge levied pursuant to the Community Preservation Act, M.G.L. c. 44B, as permitted by M.G.L. c. 44B, §3(e)(3) and approved by its legislative body (Town Meeting), beginning on July 1, 2013?

**SUMMARY**

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, known as the Community Preservation Act (CPA), establish a dedicated funding source to acquire and preserve open space, parks and conservation land, protect public drinking water supplies, and scenic areas, protect farm land and forests from future development, restore and preserve historic properties, and support local affordable housing needs. In Duxbury, the CPA is currently funded by an additional excise of 3% on the annual tax levy on real property, and by annual distribution from the state. The CPA permits towns to adopt certain exclusions, including the exclusion proposed here. If voting yes to the above ballot question, you are voting to reduce the assessed value of all taxable residential real property by \$100,000, thereby lowering the amount calculated at 3% to determine the annual CPA tax levy. If voting no, you are voting to keep the assessment calculation the same.

If approved, the following will be exempt from the surcharge: (1) Property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town, as defined in Section 2 of said Act; and (2) \$100,000 of the value of each taxable parcel of residential real property. A taxpayer receiving an exemption of real property authorized by chapter 59 of the Massachusetts General Laws or any other law shall be exempt from any surcharge established under chapter 44B, section 3, of said General Laws. The surcharge to be paid by a taxpayer receiving an abatement of real property pursuant to said chapter 59 or any other law shall be reduced in proportion to the amount of such abatement.

A Community Preservation Committee will be established by by-law to study community preservation resources, possibilities and needs to make annual recommendations to the Town Meeting on spending the funds. At least ten per cent (10%) of the funds for each fiscal year will be spent or reserved for later spending on each of the Act's three community preservation purposes: (1) open space; (2) historic resources; and (3) community housing.

If a majority of the voters voting on the ballot question vote in the affirmative, then its provisions shall take effect in the town, but not otherwise.

## QUESTION 4

Shall the Town of Kingston vote to amend its previous acceptance of sections 3 to 7 inclusive, of Chapter 44B of the General Laws, said amendment being approved under Article 8 of the Kingston June 26, 2012 Special Town Meeting?

### SUMMARY

This Question involves an amendment to the Town's prior acceptance of Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act ("Act"), by decreasing the surcharge imposed on real property from three percent (3%) to one percent (1%) of the annual tax levy thereon, as determined by the Kingston Board of Assessors.

The Act, as accepted by the Town, establishes a dedicated funding source to acquire, create and preserve open space and land for recreational use; acquire, preserve, rehabilitate and restore historic resources, create, preserve and support community housing; and to rehabilitate and restore open space, land for recreational use and community housing that is acquired or created in accordance with the Act. The following exemptions from the surcharge, permitted under Section 3(e) of the Act, will apply: (1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate senior income housing in the Town; (2) \$100,000 of the value of each taxable parcel of residential real property. A taxpayer receiving a regular property tax abatement or exemption will also receive a pro-rata reduction in surcharge. A Community Preservation Committee has been created pursuant to bylaw and will make recommendations on the use of funds. Town Meeting must approve any such recommendation before funds can be expended. All expenditures will be subject to an annual audit.

As approved by the voters at the 2005 Annual Town Election, the surcharge was initially fixed at three percent (3%) of the annual tax levy assessed on real property. By vote under Article 8 of the June 26, 2012 Special Town Meeting, the Town's legislative body voted to decrease the surcharge to one percent (1%) of the annual tax levy assessed on real property, effective July 1, 2013, subject to an affirmative majority vote of the Town at the next complying State or Town Election.

By voting yes, the reduction in the surcharge shall become effective, as aforesaid.

## QUESTION 4

Shall the Town of West Springfield amend its acceptance of the Community Preservation Act by adopting exemption (4) of Chapter 44B of the General Laws which would exempt the first \$100,000 of the value of each taxable parcel of class 3, commercial property, and class 4, industrial property as defined in section 2A of Chapter 59 of the Massachusetts General Laws, as approved by its legislative body?

### SUMMARY

Currently, 100% of the value of commercial and industrial real estate in West Springfield is subject to a Community Preservation Act surcharge of one percent (1%) of its taxable value, while residential properties receive an exemption for the first \$100,000 of their property value. This amendment, if adopted, would in a similar manner exempt the first \$100,000 of commercial and industrial property value.

The adoption of the amendment would exempt the first \$100,000 of value of each such commercial and industrial property from the surcharge. For example, a commercial or industrial property valued at \$250,000 would pay a surcharge Based on \$150,000 rather than \$250,000 of its taxable value.
