

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

SUMMARY

This proposed law would reduce the state sales and use tax rates (which were 6.25% as of September 2009) to 3% as of January 1, 2011. It would make the same reduction in the rate used to determine the amount to be deposited with the state Commissioner of Revenue by non-resident building contractors as security for the payment of sales and use tax on tangible personal property used in carrying out their contracts.

The proposed law provides that if the 3% rates would not produce enough revenues to satisfy any lawful pledge of sales and use tax revenues in connection with any bond, note, or other contractual obligation, then the rates would instead be reduced to the lowest level allowed by law.

The proposed law would not affect the collection of moneys due the Commonwealth for sales, storage, use or other consumption of tangible personal property or services occurring before January 1, 2011.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would reduce the state sales and use tax rates to 3%.

A NO VOTE would make no change in the state sales and use tax rates.

SUMMARY

Sections 3 through 7 of Chapter 44B of the General Laws, also known as the Community Preservation Act (the "Act"), establish a dedicated funding source to enable cities and towns to (1) acquire open space which includes land for park and recreational uses and the protection of public drinking water sources and supplies, watershed land, marshes and wetlands, farm land, fields, forests, beaches, river, stream, lake and pond frontage, scenic areas, wildlife preserves and other conservation areas, (2) acquire and restore historic buildings and sites, and (3) create affordable housing.

In addition, if approved, the following will be exempt from the surcharge: (1) property owned and occupied as a domicile by any person who would qualify for low income housing or low or moderate income senior housing in Marlborough, as defined in Section 2 of the Act, and (2) one hundred thousand dollars (\$100,000.00) of the value of each taxable parcel of residential real property in Marlborough. A taxpayer receiving a regular property tax abatement or exemption will also receive a pro rata reduction in the surcharge.

A Community Preservation Committee will be established by ordinance to study community preservation resources, possibilities, and needs, and to make annual recommendations to the city council on spending the funds. In every fiscal year, at least 30% of the annual funds will be spent, or reserved for later spending, on each of the Act's three preservation purposes as follows: (1) at least 10% for open space (excluding land for recreational purposes), (2) at least 10% for historic resources, and (3) at least 10% for affordable housing. The remaining 70% of the funds may be allocated to any of the three purposes without a percentage restriction, but not more than 5% may be allocated to administrative and operating expenses of the Community Preservation Committee.
