SUMMARY

The proposed amendment would authorize the Legislature to enact a law that agricultural and horticultural lands shall be valued, for taxation purposes, according to their agricultural or horticultural uses. No parcel of land less than five acres which has not been actively devoted to such uses for two years preceding the tax year could be valued at less than fair market value.

SUMMARY

The proposed amendment would authorize the Legislature to enact a law that agricultural and horticultural lands shall be valued, for taxation purposes, according to their agricultural or horticultural uses. No parcel of land less than five acres which has not been actively devoted to such uses for two years preceding the tax year could be valued at less than fair market value.
