The Elections Division

Office of the
Massachusetts Secretary of State,
Michael J. Connolly,
Secretary

QUESTION 8

This question is not binding

Shall the Commonwealth on Massachusetts urge the President of the United States and the United States Congress to enact a national acid rain control program which would require a fifty percent reduction in total national sulfur dioxide emissions by the year nineteen hundred and ninety-five and which would allocate the required reductions in sulfur dioxide emissions, and the costs of achieving those reductions, equitably among the states?
