QUESTION 5

Shall this Town accept sections 3 to 7, inclusive of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

Summary

This question involves the Town's acceptance of G.L. c.44B, §§3-7, also known as the Community Preservation Act ("Act"), approving a surcharge of 1% of the tax levy on real property. The May 12, 2014 Annual Town Meeting voted to accept the Act and impose a surcharge in the amount of 1% of the annual tax levy, effective July 1, 2014, and further to provide an exemption under Section 3(e) of the Act for property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the Town.

The Act allows municipalities to impose a surcharge on real property to establish a dedicated source of funds for open space, historic resources and community housing purposes, and entitles the Town to receive a percentage of matching funds from the state. The Community Preservation Committee makes recommendations to Town Meeting on the use of such funds, and at least 10% of the funds to be collected through the surcharge, any other annual revenues appropriated to the fund, and the state match, must be spent or reserved for later spending on each of the Act's three community preservation purposes. All expenditures pursuant to the Act are subject to an annual audit.

SUMMARY

This question involves amendment of the Town's 2007 acceptance of G.L. c.44B, §§3-7, also known as the Community Preservation Act ("Act"), approving a surcharge of .5% of the tax levy on real property. The Act allows municipalities to impose a surcharge on real property to establish a dedicated source of funds for open space, historic resources and community housing purposes, and entitles the Town to receive a percentage of matching funds from the state. The Community Preservation Committee makes recommendations to Town Meeting on the use of such funds, and at least 10% of the funds to be collected through the surcharge, any other annual revenues appropriated to the fund, and the state match, must be spent or reserved for later spending on each of the Act's three community preservation purposes. All expenditures pursuant to the Act are subject to an annual audit. The following exemptions from such surcharge, permitted under Section 3(e) of the Act were approved in the Town's 2007 acceptance of the Act and will continue to apply: (1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the Town; and (2) $100,000 of the value of each taxable parcel of residential real property.

QUESTION 5

Shall this Town amend its acceptance of sections 3 to 7, inclusive of chapter 44B of the General Laws, as approved by its legislative body?

Summary

This question involves amendment of the Town's acceptance of G.L. c.44B, §§3-7, also known as the Community Preservation Act (the "Act"), by increasing the surcharge imposed on real property from one and one-half percent (1½ %) to three percent (3%) of the tax levy, as determined annually by the Board of Assessors. The Act allows municipalities to impose a surcharge on real property to establish a dedicated source of funds for the three purposes of the Act: open space, including land for recreational use; historic resources; and community housing. Acceptance of the Act also entitles municipalities to receive an annual distribution from the Massachusetts Community Preservation Trust Fund, which supplements the funds collected pursuant to the surcharge imposed by the Town and increases the available funds for eligible projects.

As approved under Article 2 of the February 12, 2001 Special Town Meeting and by the voters at the 2001 Annual Town Election, the surcharge was initially fixed at one percent (1%) of the annual property tax assessed on real property. An increase in the surcharge to one and one-half percent (1½ %) was later approved under Article 38 of the May 1, 2006 Annual Town Meeting and by the voters at the 2006 biennial state election. On a motion made under Article 37 of the April 28, 2014 Annual Town Meeting, the Amherst Town Meeting voted to increase the surcharge to three percent (3%). If approved, the additional surcharge would be imposed on taxes assessed for fiscal years beginning July 1, 2014.

The Act contains certain mandatory exemptions and also allows municipalities to approve certain optional exemptions. The Town has adopted two such optional exemptions from the surcharge: (1) any property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in Amherst; and, (2) one hundred thousand dollars ($100,000.00) of the value of each taxable parcel of residential real property. Regardless of whether this question passes or fails, these exemptions will continue to be applicable in the Town of Amherst.
