# QUESTION NO. 2

## Law Proposed by Initiative Petition

*Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 6, 1980, by a vote of 5-146, and on which no vote was taken by the Senate before May 7, 1980?*

### SUMMARY

The proposed law would limit certain taxes, and change laws relating to school budgets and compulsory binding arbitration. It would impose a limit on state and local taxes on real estate and personal property equal to 2½% of the full and fair cash value of the property being taxed. If a locality currently imposes a tax greater than 2½% of that cash value, the tax would have to be decreased by 15% each year until the 2½% level is reached. If a locality currently imposes a tax of less than 2½%, it would not be allowed to increase the tax rate. In either situation, a city or town could raise its limit by a 2/3 local vote at a general election.

The proposed law would provide that the total taxes on real estate and personal property imposed by the state or by localities could never be increased by more than 2½% of the total taxes imposed for the

preceding year, unless two thirds of the voters agreed to the increase at a general election.

It would further provide that no law or regulation which imposes additional costs on a city or town, or a law granting or increasing tax exemptions, would be effective unless the state agrees to assume the added cost. A division of the State Auditor's Department would determine the financial effect of laws and regulations on the various localities.

The proposal would limit the amount of money required to be appropriated for public schools to that amount voted upon by the local appropriating authority. It would also repeal the law which provides for compulsory binding arbitration when labor negotiations concerning police and fire personnel come to an impasse. In addition, the petition would provide that no county, district, or authority could impose any annual increase in costs on a locality of greater than 4% of the total of the year before.

The proposed law would also reduce the maximum excise tax rate on motor vehicles from \$66 per thousand to \$25 per thousand, and it would allow a state income tax deduction equal to one half of the rent paid for the taxpayer's principal place of residence.
