**SUMMARY**

Sections 3 through 7 of chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act (the "Act"), establish a dedicated funding source to enable cities and towns to: (1) acquire open space, which includes land for park and recreational uses and the protection of public drinking water well fields, aquifers and recharge areas, wetlands, farm land, forests, marshes, beaches, scenic areas, wildlife preserves and other conservation areas; (2) acquire and restore historic buildings and sites; and (3) create affordable housing.

## QUESTION 1

Shall the Town of Concord accept Sections 3 to 7 inclusive, of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

### SUMMARY

Sections 3 to 7 of chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act (Act), allow communities to establish a dedicated funding source, and to receive state matching funds, with which to (1) acquire, create, and preserve open space, which includes, but is not limited to, farmland, forests and marshes, and other conservation land; (2) acquire, preserve, rehabilitate, and restore historic buildings and sites; (3) create, preserve, and support affordable housing; and (4) acquire, create, and preserve land for recreational use. The dedicated funds may also be used to rehabilitate and restore open space, community housing, and recreational land acquired or created under the Act.

As approved by the 2004 Annual Town Meeting, the local funding source for Concord will be a surcharge of 1.5% on the annual property tax on real property, commencing in fiscal year 2005, which runs from July 1, 2004 to June 30, 2005. In addition, the Act creates a state trust fund from which the Town will receive distributions in the form of matching funds that are solely available to communities that have accepted the Act. The funding source for this trust fund is the increased filing fees at the local registry of deeds and land courts.

Concord's Town Meeting has voted to include the following optional exemptions such that, if the Act is accepted, the following will be exempt from the surcharge: (1) \$100,000 of the value of each taxable parcel of residential real property; and (2) property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town, as defined by Section 2 of said Act. Any other taxpayer receiving an exemption on real property taxes authorized by chapter 59 of the General Laws shall receive a pro rata reduction of the surcharge.

A Community Preservation Committee composed of nine local citizens will consult with citizens and town committees and make recommendations on the use of the funds. All expenditures will be subject to a vote of Town Meeting, and will be included in the Town's annual audit.

## QUESTION 1

Shall the Town of Groton accept section 3 to 7 inclusive, of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

### SUMMARY

Section 3 to 7 of chapter 44B, also known as the Community Preservation Act ("Act"), establishes a dedicated funding source to acquire, create and preserve land for recreation, open space, historic resources and housing for low and moderate income persons and families and moderate income seniors.

A Community Preservation Committee will be established by by-law to study potential uses of the funds and to make recommendations to Town Meeting on how they should be spent. All expenditures will be subject to an annual audit and all meetings of the Committee will be open to the public.

In Groton, the Act will be funded by a surcharge of 3% of the annual property tax assessed on real estate beginning in the 2006 Fiscal Year—at current rates, this would be about \$111 per year based on a single family residential property with the median valuation of \$339,741. The other source of funds would be a special state trust fund. Money from the trust fund is distributed annually to communities that have accepted the Act.

Owner occupied housing would be exempt from the surcharge when the owner qualifies for low-income housing or low or moderate senior housing. \$100,000 of the value of each taxable parcel of residential property would

also be exempt. Any taxpayer receiving a regular property tax abatement will also receive a corresponding reduction in the Community Preservation Act surcharge. Any taxpayer receiving an exemption of real property authorized by law shall be exempt from the surcharge under the Act.

**QUESTION 1**

Shall sections 280, 281, and 282 of chapter 149 of 2004, which authorized the town of Lancaster to pay a survivor benefit and extend health insurance coverage to Claire B. McNamara and her dependents' be accepted?

**SUMMARY**

The Act authorizes the Town, in lieu of any obligations under any other general or special law, to pay an accidental death benefit to Claire B. McNamara, the widow of fallen firefighter Martin H. McNamara V, equal to 2/3 of the average annual salary of a first-year career firefighter in the local area. The Act authorizes the Town to fund the purchase of an annuity through an "override" of the provisions of Proposition 2 1/2, so called. Proposition 2 1/2 imposes limits on the amount a town may raise by taxation. The Act allows the Town to raise through taxation, for one year only, the sum of \$650,000 in addition to the amounts permitted under Proposition 2 1/2. The Town Department of Finance and Budget estimates the tax rate will increase by approximately \$1.17 per thousand dollars of valuation for one year only. On March 22, 2004, Town Meeting voted to appropriate the \$650,000 contingent upon approval of this ballot question. Thus, approval of the question will constitute approval of the override and will ratify Town Meeting's contingent appropriation of such funds. The Act also makes Claire B. McNamara and her dependents eligible for health insurance, subject to certain conditions, provided that she bears responsibility for a retirees' percentage share for the premium for such insurance.

A YES VOTE would: (1) accept Sections 280-282 of chapter 149 of the Acts of 2004 authorizing the Town to provide a substantial accidental death benefit to Claire B. McNamara, widow of firefighter Martin H. McNamara V; (2) approve a special one-year override of the limitation imposed by G.L. c.59, §21C, Proposition 2 1/2, so called, in the amount of \$650,000 for the purchase of an annuity to pay the accidental death benefit; and (3) ratify Town Meeting's contingent appropriation of such funds.  
 A NO VOTE would: (1) reject Sections 280-282 of chapter 149 of the Acts

A Community Preservation Committee will be established by Town By-Law to study community preservation resources, possibilities and needs and to make annual recommendations to Town Meeting on spending the funds. At least 10% of the funds for each fiscal year will be spent or reserved for later spending on each of the Act's three community preservation purposes: (1) open space (excluding land for recreational use), (2) historic resources and (3) affordable housing.
