QUESTION 1

Shall the Town of Hadley accept sections 3 to 7 inclusive, of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

SUMMARY

Sections 3 to 7 of chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act ("Act"), establish a dedicated funding source to: acquire, create and preserve open space, land for recreational use, and community housing; acquire, preserve, rehabilitate and restore such open space, land for recreational use and community housing acquired or created as provided under said Act. In Hadley, the Act will be funded by an additional surcharge of three percent on the annual tax levy on real property and by matching funds provided by the state. The following exemptions from such surcharge, permitted under Section 3(e) of said Act, will apply: Property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the town; and \$100,000 of the value of each taxable parcel of residential real property. The surcharge to be paid by a taxpayer receiving an abatement of real property authorized by chapter 59 or any other law will be reduced in proportion to such abatement. A Community Preservation Committee, created pursuant to bylaw, will make recommendations on the use of the funds. Town Meeting must approve any such recommendation before funds can be expended to acquire any particular parcel of land. All expenditures pursuant to the Act will be subject to an annual audit.

QUESTION 1

Shall the Town of Sharon accept sections 3 to 7 inclusive, of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

SUMMARY

Sections 3 through 7 of chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act (the "Act"), establish a dedicated funding source to enable cities and towns to: (1) acquire open space, which includes land for park and recreational uses and the protection of public drinking water well fields, aquifers and recharge areas, wetlands, farm land, forests, marshes, beaches, scenic areas, wildlife preserves and other conservation areas; (2) acquire and restore historic buildings and sites; and (3) create affordable housing.

In Sharon, the funding source for these community preservation purposes will be a surcharge of 1% on the annual property tax assessed on real property and annual distributions made by the state from a trust fund created by the Act. If approved, the following will be exempt from the surcharge: (1) property owned and occupied as a domicile by any person who qualifies for low income housing or moderate income senior housing in the Town, as defined in Section 2 of the Act; (2) \$100,000 of the value of each taxable parcel of residential real property. A taxpayer receiving a regular property tax abatement or exemption will also receive a pro rata reduction in surcharge.

A Community Preservation Committee will be established by by-law to study community preservation resources, possibilities and needs and to make annual recommendations to Town Meeting on spending the funds. At least 10% of the funds for each fiscal year will be spent or reserved for later spending on each of the Act's three community preservation purposes (1) open space (excluding land for recreational use); (2) historic resources; and (3) affordable housing.

QUESTION 1

Shall an act passed by the general court in the year 2004 entitled, 'An Act Relative To The Charter Of The Town of Needham,' be accepted?

SUMMARY

Acceptance of this Act replaces the position of the Town Administrator with the creation of a Town Manager. The Town Manager will serve as the chief executive and fiscal officer, overseeing the day-to-day management of the Town. Appointed by the Board of Selectmen, the Town Manager will be responsible for hiring and supervising most Town employees, except those of the School Department.

Acceptance of this Act will not affect the composition or status of elected boards. These boards will retain their policy-making functions and will approve the hiring of the department managers under their jurisdiction. The Board of Selectmen will continue to appoint Town Counsel, and all other boards, commissions, and committees it presently appoints.

The changes to the town charter will become effective 185 days after being approved by a majority of voters of the Town voting at the November 2, 2004 election.

QUESTION 1

Shall the Town of Concord accept Sections 3 to 7 inclusive, of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

SUMMARY

Sections 3 to 7 of chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act (Act), allow communities to establish a dedicated funding source, and to receive state matching funds, with which to (1) acquire, create, and preserve open space, which includes, but is not limited to, farmland, forests and marshes, and other conservation land; (2) acquire, preserve, rehabilitate, and restore historic buildings and sites; (3) create, preserve, and support affordable housing; and (4) acquire, create, and preserve land for recreational use. The dedicated funds may also be used to rehabilitate and restore open space, community housing, and recreational land acquired or created under the Act.

As approved by the 2004 Annual Town Meeting, the local funding source for Concord will be a surcharge of 1.5% on the annual property tax on real property, commencing in fiscal year 2005, which runs from July 1, 2004 to June 30, 2005. In addition, the Act creates a state trust fund from which the Town will receive distributions in the form of matching funds that are solely available to communities that have accepted the Act. The funding source for this trust fund is the increased filing fees at the local registry of deeds and land courts.

Concord's Town Meeting has voted to include the following optional exemptions such that, if the Act is accepted, the following will be exempt from the surcharge: (1) \$100,000 of the value of each taxable parcel of residential real property; and (2) property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town, as defined by Section 2 of said Act. Any other taxpayer receiving an exemption on real property taxes authorized by chapter 59 of the General Laws shall receive a pro rata reduction of the surcharge.

A Community Preservation Committee composed of nine local citizens will consult with citizens and town committees and make recommendations on the use of the funds. All expenditures will be subject to a vote of Town Meeting, and will be included in the Town's annual audit.

QUESTION 1

Shall the Town of Groton accept section 3 to 7 inclusive, of chapter 44B of the General Laws, as approved by its legislative body, a summary of which appears below?

SUMMARY

Section 3 to 7 of chapter 44B, also known as the Community Preservation Act ("Act"), establishes a dedicated funding source to acquire, create and preserve land for recreation, open space, historic resources and housing for low and moderate income persons and families and moderate income seniors.

A Community Preservation Committee will be established by by-law to study potential uses of the funds and to make recommendations to Town Meeting on how they should be spent. All expenditures will be subject to an annual audit and all meetings of the Committee will be open to the public.

In Groton, the Act will be funded by a surcharge of 3% of the annual property tax assessed on real estate beginning in the 2006 Fiscal Year—at current rates, this would be about \$111 per year based on a single family residential property with the median valuation of \$339,741. The other source of funds would be a special state trust fund. Money from the trust fund is distributed annually to communities that have accepted the Act.

Owner occupied housing would be exempt from the surcharge when the owner qualifies for low-income housing or low or moderate senior housing. \$100,000 of the value of each taxable parcel of residential property would
