QUESTION 1

Law Proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

SUMMARY

This proposed law would establish a Health Protection Fund to pay for health programs relating to tobacco use, including distribution of information about tobacco use, to be financed by a new excise tax on cigarettes and smokeless tobacco. The Health Protection Fund would be used, subject to appropriation by the state Legislature, to supplement existing funding for the following purposes: school health education programs including information about the hazards of tobacco use; smoking prevention and smoking cessation programs in the workplace and community; tobacco-related public service advertising; drug education programs; support of prenatal and

maternal care at community health centers which provide programs on smoking cessation and information on the harmful effects of smoking; and monitoring by the state Department of Public Health of illness and death associated with tobacco.

The proposed law would establish a new excise tax of one and one-quarter cents per cigarette (twenty-five cents per pack of 20) and twenty-five percent of the wholesale price of smokeless tobacco. This excise would be in addition to the excise already imposed on cigarettes and smokeless tobacco. The new excise would be collected by the state Department of Revenue under the same procedures that apply to the existing tobacco excise.

The proposed law would direct the State Comptroller to report annually on the revenues and expenditures of the Health Protection Fund. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect. The proposed law would go into effect on January 1, 1993.

QUESTION 2

Law Proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

SUMMARY

This proposed law would require certain banks, insurance companies and publicly-traded corporations to file annual reports with the Massachusetts Secretary of State listing information from their state tax returns, including profit, income, corporate income tax due, deductions, exemptions and credits. These reports would be made

public. This provision would apply only to those banks, insurance companies and publicly-traded corporations required by federal and other Massachusetts laws to disclose information concerning their federal tax payments.

The proposed law would also require the annual release by state officials of a detailed analysis of certain tax expenditures enacted or changed after January 1, 1988. State law defines a tax expenditure as an exemption, exclusion, deduction, or credit that results in less corporate, sales, or income tax revenue for the state. This analysis would be required only for tax expenditures with an annual revenue impact of \$1,000,000 or more. The analysis would include information on the actual revenue loss, as well as the number and proportion of taxpayers or taxing entities benefiting from the tax expenditure, according to income, profit, receipts or sales.
