# QUESTION 1

## PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on June 9, 1998 (years 186 – nays 3); and again on June 28, 2000 (years 188 – nays 0)?

### SUMMARY

This proposed constitutional amendment would require that new district boundaries for state representatives, state senators, and governor's council-

ors, which are redrawn every ten years based on the most recent federal census, take effect for the state election held two years after the federal census, rather than the election four years after the census as under the current system.

**A YES VOTE** would amend the constitution to require that the periodic redrawing of district boundaries for state legislators and governor's councilors use new census data two years earlier than under the current system.

**A NO VOTE** would make no change in the current four-year process for redrawing such district boundaries

**QUESTION 2**

**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on July 29, 1998 (years 155 – nays 34), and again on June 28, 2000 (years 144 – nays 45)?

**SUMMARY**

This proposed constitutional amendment would prohibit persons who are incarcerated in a correctional facility due to a felony conviction from voting

in elections for governor, lieutenant governor, state senator, or state representative. The amendment would also result in such persons being ineligible to vote for governor's councillor, secretary of state, state treasurer, state auditor, state attorney general, or United States senator or representative in Congress.

**A YES VOTE** would amend the constitution to limit the voting rights of incarcerated felons.

**A NO VOTE** would make no change in the voting rights of incarcerated felons.
